PROFESSIONAL MEMBERSHIPS

- Association of Computing Student MMUST.
- Student Developers Club MMUST.
- UI/UX Developers Club

PERSONAL PROFILE STATEMENT

I am an ambitious, motivated and multi-skilled Computer Science graduate. I have experience in basic networking skills using network simulation tools specifically in cisco packet tracer and gns3. I also have comprehensive knowledge of the **OSI and TCP/IP network models, IP address classes, IP subnetting, router and switch configurations, creating Vlans, LAN and WAN configurations using cisco packet tracer**. Additionally, I am a clear and effective communicator and work well individually as well as part of a team. My excellent track-record in providing high-quality results combined with my honest approach and time consciousness towards projects would make me an asset to any organization.

EDUCATION

Present	Just completed a Full-stack practical training certification course which comprises of web development and Android app development at Emobilis Mobile Academy.
2018- (Dec 2022)	Bachelor's degree in computer Science at Masinde Muliro University of Science and Technology and scored Second Class Honor's (GPA-3.0).
2014-2017	Kenya Certificate in Secondary Education in Ndururumo High school and scored a mean grade of B plain of 65 points.
2006-2013	Kenya Certificate in Primary Education in Nyandarua Boarding Primary Sch and scored a mean grade of B+ of 361 marks.

PROFFESIONAL EXPERIENCE

October to December 2020 – Industrial Attachment in Masinde Muliro University of Science and Technology. I got experience in the following areas.

- Helpdesk and Hardware Maintenance.
- Networking using cisco packet tracer.
- Database.
- System Administration.

May to August 2021-Attachement at Kakamega County government in the revenue collection department. I got experience in the following areas.

- Data entry.
- Usage Microsoft office (Excel, word and publisher).
- System administration.
- Network administration and practical cable handling.
- Computer hardware and maintenance.
- Troubleshooting and solving network connectivity issues.

LEADERSHIP SKILLS AND CAPABILITIES

- Jan 2015 – Jan 2017 Clubs and Societies Secretary Ndururumo High School.

Training and Professional Development.

- Just completed training in practical android development and web development. In android development am proficient in kotlin programming language, retrofit, firebase and SQLite databases. In Web development am proficient in html, CSS, bootstrap, JavaScript, Django and M-pesa Api integration. GitHub account: <https://github.com/Kimani-dev931>
